

Halo-Beyonce

(ALL)
Ooh

(Altos)
Remember those walls I built?
Well, baby they're tumbling down.
They didn't even put up a fight
(Altos & Baris)
The didn't even make a sound

(Altos & Sops)
I found a way to let you in,
But I never really had a doubt
Standing in the light of your halo
(Sops)
I've got my angel now

It's like I've been awakened
Every rule I had you breaking
It's the risk that I'm taking
I ain't never gonna shut you out

(Altos & Baris)
Got my angel now
Got my angel now
Got my angel now
Got my angel now

(All)

Everywhere I'm looking now
I'm surrounded by your embrace
Baby, I can see your halo
You know you're my saving grace

You're everything I need and more
It's written all over your face
Baby I can feel your halo
Pray it won't fade

(Sops)
away

Halo
I can feel your halo halo halo
Halo halo halo
Halo oow oh oh oh

(Altos & Baris)
Halo halo halo
Halo halo halo
Halo halo halo
Halo oow oh oh oh

Hit me like a ray of sun
Burning through my darkest night
You're the only one that I want
Think I'm addicted to your light

(Altos & Baris)
Ooh Ooh Ooh Ooh Ooh
Addicted to your..
Ooh Ooh Ooh Ooh Ooh

I swore I'd never fall again
But this don't even feel like falling
Gravity can't forget
To pull me back to the ground again

(Altos & Baris)
Pull me to the ground
Pull me to the ground
Pull me to the ground
Pull me to the ground

It's like I've been awakened
Every rule I had you breaking
It's the risk that I'm taking
I ain't never gonna shut you out

(ALL)

Everywhere I'm looking now
I'm surrounded by your embrace
Baby, I can see your halo
You know you're my saving grace

You're everything I need and more
It's written all over your face
Baby I can feel your halo
Pray it won't fade
